

KEELBOAT SAILOR OF THE YEAR 2020

REQUEST FOR NOMINATIONS

HHYC Sailing Committee requests your nominations for Sailor of The Year 2020, which will be awarded at a Sailors' Awards Event on 14 April 2021. Whilst the rules state that the Keelboat Sailor of The Year will be a HHYC member; nominations can include any person that regularly sails in the races organized by HHYC. The Sailing Committee will award a special recognition prize to any nominated non-member that is deemed worthy of such award.

For 2020, to support a goal and focus to encourage more ladies to the sport, the Club will award Sailor of The Year trophies under both female & male categories.

Please nominate one male and one female from your regular crew, for consideration, using the separate sheets in this file. Page 4 is also provided if you wish to nominate a person who has sailed only occasionally as part of your crew, but has made a notable contribution to your boat/crew's performance. This "Non-regular" form may also be used to nominate any sailor from any other boat, that you consider worthy of consideration.

Skippers are welcome to circulate this Nomination Form to other members of their crew, for further nominations or for support of your nominations.

For information, the previous winners of the Keelboat Sailor of the year trophy were :

2017 - Toby Jenkyn-Jones (Bits and Pieces). "The Toby Jug" trophy will be awarded to the Male winner.
