Marina Security Gate

Dear Members,

As part of the Club's continued efforts to improve security on its premises, the Club shall be locking the marina gate every night between 19:00 and 07:00 the next morning. Members and boat crew will still be able to access the marina through the boatyard by tapping their valid membership or crew card on the card reader next to the gate. Any visitors without their cards must register at the security checkpoint before passing through the gate.

This will become effective on Monday, 14 November 2022.

Thank you for your cooperation in making the HHYC a safer place.
